Dear Admiral Turner:

My name is Blaine Bull and I am a student at Texas A&M University. I am also a member of the Political Forum Committee here on campus. Political Forum is a school organization whose function is to increase student awareness of the political issues.

Political Forum is planning a trip to Washington D.C., March 12-18, 1978. The purpose of this letter is to invite you to speak to our group of fifty. With all the negative publicity the C.I.A. has been getting the last couple of years, the students here at Texas A&M seem to be at a loss to explain the functions of the C.I.A. We were hoping that you might shed some light on this subject to our group. If you are unable to speak to our group perhaps you can let us know of someone who can. We would appreciate your responding to our inquiry as soon as possible. Thank you very much for your time and effort.

Sincerely,

Blaine Bull
